

The History of BCG

“The Golden Anniversary Commemorative Print Album”

1999 was BCG’s Golden Jubilee Year. The club was turning 50. BCG President, Mike Marriott, and his committee decided to produce a Golden Anniversary Commemorative Print Album to celebrate this important milestone. The plan was to produce three copies of this album. Two copies would be raffled and one would be auctioned. This would take place at the annual dinner. All BCG members at that time were invited to include one photographic print in each of the albums. The print album raffle and auction was widely advertised at club meetings and in BCG’s IMPACT newsletter.

The excerpt below taken from the commemorative album tables for posterity the names of all 46 BCG members in 1999.
